Dear Mr. Davis:

On March 23, 1994, the Board of Oil, Gas and Mining formally approved of the form and amount of reclamation surety for H.E. Davis & Sons, Henry 1 & 2 mine. The surety is a Certificate of Deposit # issued by Far West Bank (Salem Branch) and is currently being held by the United States Forest Service. Pursuant to our joint agency Memorandum of Understanding (FS Control #), the US Forest Service will not release this surety unless formal written approval is obtained from the Division of Oil, Gas and Mining.

Enclosed please find a copy of the fully signed and executed Reclamation Contract for your files.

Thank you for your time and efforts in helping finalize this permitting process.

Sincerely,

D. Wayne Hedberg
